

HUNGER SWIPES

BRAND GUIDELINES

VERSION 1.0 · APRIL 2026 · PORTERFUL LLC

Brand Overview

What Is HungerSwipes

TAGLINE

HungerSwipes is a two-sided marketplace where food lovers discover restaurants through a Tinder-style swipe interface. Creators earn commission every time someone orders from their food photos. Vendors get affordable, performance-based marketing — paying only when HungerSwipes actually delivers a customer.

Core Values

Hungry

Relentlessly curious about what's next in food

Genuine

Real food. Real opinions. No fake reviews.

Earned

We reward food lovers for sharing what they discover.

Taglines

PRIMARY

"Swipe. Order. Earn forever."

Hero sections, headlines, CTAs

EATER

"Discover your next favorite dish."

Eater-facing messaging

CREATOR

"Your food photos pay you — forever."

"70% cheaper than DoorDash."

Logo

Primary Logo

The HungerSwipes logo is the primary brand identifier. Always use the official artwork provided — do not recreate, modify colors, or distort in any way.

White on Light

Clear Space

Maintain clear space equal to the height of the "H" in the wordmark. No other elements should intrude on this space.

Logo Misuse

' DO

- Use the logo on solid, high-contrast backgrounds only
- Use the official PNG files provided in the brand assets
- Maintain the original aspect ratio at all times
- Use white logo on dark backgrounds, colored on light

' DON'T

- Stretch, skew, rotate, or distort the logo
- Change colors, add gradients, or apply filters
- Add drop shadows, outlines, or effects
- Recreate the logo from scratch
- Place on busy photographic backgrounds without clear space

Voice & Tone

Our Voice

HungerSwipes speaks with the confidence of someone who knows their food — bold, direct, a little playful. We're not corporate. We're not stuffy. We talk like food lovers talking to food lovers.

SOUND LIKE THIS

- "Your next favorite dish is one swipe away."
- "We made it so your food photos pay you — every single time."
- "Swipe right on what you crave."
- "This photo made \$47 this month. Here's why."

NEVER SOUND LIKE THIS

- "Welcome to our innovative food discovery platform..."
- "Our synergistic ecosystem leverages user-generated..."
- "Please feel free to peruse our selection of vendors."
- "We utilize cutting-edge algorithms to optimize..."

Tone by Situation

SITUATION	TONE
General marketing	Bold, punchy, confident "Swipe. Order. Earn forever."
Earning / money	Excited, proud, motivating "You just made \$12.34 from a March photo."
Onboarding	Welcoming, simple, exciting "It takes 2 minutes. Let's find your first match."
Error / failure	Direct, helpful, calm "Something went wrong. Try again — we'll be here."
Vendor pitch	

"You pay 10%. Not 30%. That's \$600 more per month."

Photography & Imagery

Photography Style

Food photography on HungerSwipes should feel authentic, appetizing, and aspirational. We're not selling stock photos — we're showing real food that makes people hungry.

' WHAT WE WANT

- Natural lighting — window light is best
- Overhead or 45° angle shots
- Clean backgrounds (no clutter)
- Fresh, appetizing presentation
- Real restaurant settings
- Human context (hands, utensils, atmosphere)

' WHAT WE AVOID

- Heavy filters or overly edited looks
- Stock photography aesthetic
- Dark, moody food photography
- Messy or unappetizing presentation
- Blurry or low-resolution images
- Pure white studio background shots
